1. On 7 March 1956 UPSWING's alias Dr. KLAUSNER told me that so far no tapes of any BALGARIAN conversations had been received at Pullach and that he, KLAUSNER, was checking with V-3595 of Dienststelle 62 in Berlin as to the reason why. (POB Comment: This is our first indication that V-3595 (a ACKERMAN) is the Berlin UPSWING office handling the UJDOWN Listening Post.)

2. KLAUSNER added that initially he had not been perturbed that no tapes had arrived since KURZ had been confined to her bed because of a broken leg which she suffered as a result of an automobile accident but that he thought that by now she might well be up and about.

3. As for V-70, KLAUSNER explained that he had seen Martin RIEDWATER who was running him on several occasions in the meantime but never alone so that he had been unable to discuss this matter with him.

4. On 6 March 1956 I queried UPSWING's alias KURZ as to developments in the UJDOWN Case. KURZ replied that so far there were none.
